Place a Call
Use one of the following methods to place a call:
• Lift the handset and dial the number.
• Dial the number, and then lift the handset.
• Dial the number, and then press the Dial soft key.
- Local (off campus), dial 8 then 7 digit number
- Long distance, dial 8 + 1 + area code + 7 digit number
- International, dial 8 + 011 + country code + city code + number

Note: Use the backspace [<<] soft key to erase digits that you enter incorrectly.

Redial a Number
Press Directories button
Select MISSED CALLS
Arrow up or down to desired number
Press Dial, lift receiver to proceed with call

Hold a Call
To place a call on hold while on the call:
• Press the Hold soft key.
To retrieve a held call:
• Press the Resume soft key.
  – If multiple calls are on hold, use the Navigation button to select the desired call before you press Resume soft key.
  – If multiple calls on multiple lines are on hold, press the line button for the line that you want to pick up. The active call on the other line is automatically put on hold.

Mute a Call
• While on a call, press the Mute button.

The Mute button lights indicating that the other party cannot hear you.
To deactivate the Mute function, do one of the following:
• Press the Mute button again.
• Lift the handset if you are using mute with your speakerphone.

Transfer a Call
• During a call, press the Transfer soft key. The call is placed on hold.
• Dial the number to which you want to transfer the call.
• Wait for the call to be answered. Announce the call to the transfer recipient. Press the Transfer button then hang up the handset.
• If the transfer fails, press the Resume soft key to return to the original call.

Cancel Transfer
• To cancel your transfer call-transfer attempt:
  – Press the End Call soft key.
• To reconnect to the original caller:
  – Press the Resume soft key.

Call Forward All
To forward all incoming calls to another number:
• Press the Call Forward All soft key. You hear a confirmation beep.
• Dial the number to which you want to forward all your calls. Dial the number exactly as if you were placing a call to that number. Remember to include locally required prefix numbers.
• The phone display is updated to show that calls will be forwarded.
  – Enter 6-9999 to forward to Voice Mail

To Cancel Call Forwarding
• Press the Call Forward All soft key.

Conference Call
To create a three-party conference call:
• Dial the first party.
• Press the More soft key then the Confirm soft key to open a new line and put the first party on hold.
• Dial the second party. When the call connects, press Confirm again to add the new party to the call.
• To add third party to the conference:
  – Press the Confirm soft key on the Cisco Unified IP phone. Current two callers will be placed on hold.

Press an available Line button and call the caller you want to add to the conference.
• Press the Confirm soft key.
All parties will connect to conference.

Adjust the Ring Volume
• Press the Up or Down Volume button.
• Press the Save soft key to apply the new volume level to future calls.

Adjust the Ring Volume
• Press the Settings button.
• Highlight option 1 User Preferences.
• Press the Select soft key.
• Select 1 Rings.
• Use the Navigation button to scroll through the list of ring types. Press the Play soft key to hear samples.
• Highlight the ring you want, and then press the Select soft key.
• Press the Ok soft key to select your setting.
• Press the Save soft key to save the setting, or press Cancel to exit to the previous menu without changing the setting.
• Press the Exit soft key to go to the main directory menu.

Clear Call History
To clear all numbers in the directory histories:
• Highlight the desired directory log.
• Press the Clear soft key.

Manage Call Waiting
If you are on a call when a second call comes in, you either hear a call-waiting tone or see a flashing indicator light on the handset rest.
To answer the new call on the same line:
• Use the Navigation (up/down arrows) button to select the call.
• Press the Answer soft key to answer the call. The call on the other line is automatically put on hold.
To return to the original call:
• Use the Navigation button to reselect the call.
• Press the Resume soft key to reconnect to the call.
For calls on a separate line:
• Press the Line button for the incoming call. The call on the other line is automatically put on hold.
To return to the original call:
• Press the Line button associated with the original call.

Retrieve Voice Messages
Press the Messages button, and follow the voice instructions.

Place a Call from Call History
• Use the Navigation button to scroll through the call history list.
• Use the Up and Down arrow buttons to select a phone number. The digits appear on the phone display.
• To dial the number as it appears on the phone display:
  – Press the Dial soft key.

View Call History
• Press the Directories button.
• Use the Navigation button to scroll and select the desired call list. Press the Select soft key, or:
  – Press 1 on the keypad for Missed Calls.
  – Press 2 on the keypad for Received Calls.
  – Press 3 on the keypad for Placed Calls.
• Press the Exit soft key to return to the previous directory menu.
